

Early Acclaim for:

Prophet—The Hatmaker's Son

The Life of Robert Muller

"Robert Muller has had a very large positive influence on me. He has a wonderful global outlook and a loving, kind-hearted attitude of forgiveness and understanding and patience. I have great admiration and respect for him. He's one of the greatest men to come along in a long time."

—**Ted Turner**, CNN; AOL Time-Warner

"When the true history of the Twentieth Century is told, Robert Muller's name will stand out as one of the greatest world servers of all time. This powerful book is filled with stories and anecdotes that delight as they illumine the path of greatness. *Prophet* ennobles as it instructs. One discovers how high intelligence matched with deep compassion can lead to the way of wisdom and the winning of a better world. Robert Muller is a spiritual giant as well as a hugely original thinker, and the story of his life is a testament to the glory of the human spirit."

—**Jean Houston, Ph.D.**, Author of *Jump Time*

"Robert Muller has been an inspiration to countless people around the world. What a joy it is to read the story of this remarkable life."

—**Peter Russell**, producer of *Global Brain* and *White Hole in Time*

"I could hardly put it down! It is a beautifully detailed and vivid presentation of the boyhood of Robert Muller in a war-torn world. It not only shows with clarity and precision the history of the times (which I had forgotten), but the struggles of a sensitive boy to pursue his love of nature and great literature in such trying times."

—**Lucile Green**, co-founder, Global People's Assembly

"*Prophet—the Hatmaker's Son* touches our very essence with the spirit of a genuine modern hero. Like Gandhi, Martin Luther King and other great spiritually motivated leaders, he has laid his life down as a pathway to peace in the world. The book is dynamic, gripping and a wonderful story."

—**Barbara Marx Hubbard**, President, Foundation for Conscious Evolution.

"Robert Muller, prototypical global citizen, is a precursor of the coming universal humans we must strive to become. Only by evolving more consciously and purposefully can the human family find true security, peace and harmony with all life on Planet Earth. I have admired Robert Muller for 20 years. My respect for him deepened as I read more of his extraordinary, exemplary life story. I hope Douglas Gillies will go on to write a sequel to this wonderful book."

—**Hazel Henderson**, author of *Building a Win-Win World*.

"*Prophet - The Hatmaker's Son* is the inspiring, true story of Robert Muller, a man who lived through the atrocities of World War II and then dedicated his life to peace. Gillies brings to vivid life the remarkable achievements and astounding story of this great global citizen. *Prophet* is a reminder to every reader why war does not work—and offers a path to a better way."

—**Mary Manin Morrissey**, author of *Building Your Field of Dreams* and *No Less Than Greatness*

“Robert Muller's biography is a testimony to a man who has dedicated his life to peace, vividly showing the development of his passionate commitment working for the greater good of all.”

—**Riane Eisler**, author of *The Chalice & The Blade*,
The Power of Partnership, and *Tomorrow's Children*.

“Robert Muller is one of our greatest and most committed voices for peace, and for a new world order that embraces the scientific truth of the ultimate unity of humanity at our core, quantum-mechanical level. His biography should be read by everyone dedicated to global unity and the spiritual well-being of humanity.”

—**John Hagelin Ph.D.**, author of *Manual for a Perfect Gov't*

“Robert Muller has been an inspiration to countless people around the world. What a joy it is to read the story of this remarkable life.”

—**Peter Russell**, author of *From Science to God*
Producer of *Global Brain* and *White Hole in Time*

Robert Muller has seen our species at our worst and still ebulliently believes in our best. In his presence, you want to rise and rise and rise again to whatever occasion is before you. He is a global treasure—and so will you be if you let his spirit enter your life. I did... and look what happened!”

—**Vicki Robin**, coauthor with Joe Dominguez of
Your Money or Your Life

“An extraordinary saga of an extraordinary man—one of the first truly global minds of the 20th century, with the prophetic insight we so desperately need in the 21st!”

—**Ervin Laszlo**, Founder of the Club of Budapest
author of *Macroshtift*

“This is a great book, a powerful piece of work.”

—**Frank Kelly**, author of *Harry Truman and the Human Family*

“Breathtaking! It is brilliant because Robert Muller's contribution to world peace is brilliant! Gripping style by Gillies. I've been a professional writer-editor for 60 years and my first clipping through it jumps up and says *Great!*”

—**Nada-Yolanda**, Exec. Director Mark-Age/I Am Nation

This is the story of an optimist who worked at the UN from its founding. Wartime border changes provided Robert Muller with two nationalities. He realized he was a citizen of the world and dedicated himself to work for peace. The writing is very good and the story is fascinating.”

—**Dan Poynter**, author of *The Self-Publishing Manual*

“Robert Muller's life is dramatic, inspiring, and has historic significance, simultaneously. Everyone who reads *Prophet* will have a new perspective on war, and an intimate grasp of why peace should be the foremost motivation in human relationships. I couldn't put it down!”

—**Gloria Crook**, Founder, Robert Muller Schools

“Robert Muller has a pulse on the planet. He understands the global trend lines. His biography is worthy of being read by teachers, historians, business leaders, professors, clergy, writers, elected officials, and international civil servants.”

—**Sanford Hinden**, Founder, Director of Peace Museums

The author has a remarkable ability to correlate facts and tell them in a way that makes you feel you are participating to those events. As a European, I am proud of Robert Muller; as a world's citizen, I am grateful to him; and as an optimist, I adore diving into his vision for a better world.

—**Sergio Tripi, Ph. D.**, Good News Agency

“Tour de force. Gillies nailed it. This true story of personal bravery and moral courage is better reading than any fictional hero.”

—**Lois Clark McCoy**, President
National Institute for Urban Search & Rescue

“Readers will be transported to another dimension of understanding and commitment to peace and the transformation of humankind by the remarkable life of Robert Muller—a dreamer, a doer, true citizen of the world.”

—**Glenn Mosley**, President, Association of Unity Churches

“I was captured. So many beautiful mosaics planted here and there forming a totally engrossing picture, a captivating story of a simple yet great man living in extraordinary times.”

—**Chris Mair**, attorney
